Become the SoMe expert in  Anaesthesiologica Scandinavica

We are looking to expand Actas' contact for new publications through social media posts. The journal editorial board is looking for a Nordic anaesthesiologist who has scientific education and competence and would be interested in working with disseminating information and links for new publications in the journal through social media.

What we offer

- Editorial Board membership
- Participation in all annual board meetings
- Reimbursement for journal-related costs and activities
- A learning environment for scientific publishing

Contact

Editor-in-Chief Michael Haney
Michael.haney@umu.se

Deadline: January 15th, 2023

What we expect

- Extensive knowledge of social media and publishing / disseminating information on social media
- Great interest in developing a social media strategy including several outputs
- Interest in evidence-based medicine and research
- Willingness to invest time
- Employment as anaesthesiologist in a Nordic country
- Scientific experience (optional)
